Application for a Permit to Install or Modify an Onsite Sewage Disposal System

Property Owner: _____ Phone: _____ Email: _____
Address: _____ City: _____ State: _____ Zip Code: _____
Property Location: _____

Has this property ever been previously denied for a permit? Yes No Date _____
Facility is New Existing Lot Size _____ Acres /Sq. Ft. Water Source _____
Type Facility Residence Other _____
Number of Bedrooms _____ Number Individuals Served _____ Design Daily Flow _____ gpd
Deed Recorded in Deed Book _____ Page _____ County Tax Map _____ Parcel No. _____
Subdivision Name _____ Approval No. _____ Section _____ Lot _____

The minimum lot size or area reserved for a sewage disposal system in a subdivision may vary based on the date the subdivision was created. On lots created after July 1, 1970, permits for individual sewage disposal systems shall be withheld until a subdivision approval has been granted which indicates that such systems may be expected to comply with applicable design standards on all proposed building lots contained within the original tract.

To the best of my knowledge, the information provided on this application is true and I understand that I am responsible for informing the sewage system installer of the existing or proposed locations of sewage systems and water sources including wells. I further understand that it is my responsibility to consult the sanitarian for assistance as necessary and to determine the location of any existing or proposed sewage systems or wells if presently unknown to me.

Date: _____ Signature of Owner: _____
