

Amendments and Additions to Jefferson County WV Board of Health Order of April 5, 2020

The following exceptions to the Order of April 5, 2020 will be added and in effect immediately:

- Child care centers that have applied for their license as a critical care center through the WV DHHR, Bureau for Children and Families are exempt from this order
- Hospitals, Health Care Providers, and Pharmacies that require more employees in order to provide proper medical care and prescription services may have more than the minimum allowed number of individuals per 1,000 square feet of interior space and be closer than 6-feet to each other and their patients, provided:
 - they wear masks and gloves when they are not able to stay 6-feet apart from other individuals
 - the number of patients in waiting rooms is limited to ensure patients are able to stay 6-feet apart from one another
- Hotels, Motels, Bed and Breakfasts, and Air B & Bs may rent rooms for less than 14-days in duration to essential employees traveling in order to provide those essential services. They must follow all of the other guidance for hotels, motels, and bed and breakfasts as issued by WV DHHR.
- Hotels, Motels, Bed and Breakfasts, and Air B & Bs may rent rooms for less than 14 days in duration to local residents (Eastern Panhandle Area) displaced from their homes or to the local homeless population
